# TERMS, WARRANTY AND RETURN POLICY

**U.S. and CANADA SALES ONLY** - C&L's sells and ships products only within the continental United States, Alaska, Hawaii and Canada. No shipments can be made to APO/FPO addresses, United States territories, or addresses outside the United States or Canada.

**MANUFACTURER WARRANTIES** — If you discover what you believe is a product defect, please contact us. Warranties are subject to the manufactures policies. Product failure caused by misuse or abuse voids all warranties. Warranty does not include labor and/or damage to other parts. For warranty return see procedure below.

**RETURN POLICY** — All returnable items are subject to a 15% restocking charge plus shipping cost. Items must be in brand new condition and packed in the original, unmarked packaging including any accessories, manuals and documentation that shipped with the product. Cut, painted or modified parts will be refused as nonreturnable items. All items are subject to inspection upon return. If you have received an incorrect product due to a C&L's shipping, order processing error or warranty return, please use the following procedure.

Please e-mail C&L's to request a Return Material Authorization (RMA) #. A RMA request must be made within 10 business days of receipt of the product in accordance with C&L's return policy (noted above.)

If the RMA is approved, a RMA # will be issued. The support representative will also provide you with information on how to return the product to C&L's.

In order to speed up the process, the product must be returned to the C&L's warehouse within 10 business days of the issuance of the RMA. All products must be packed in the original, unmarked packaging including any accessories, manuals and documentation that shipped with the product.

**NOTE:** C&L's recommends that you use a carrier that offers shipment tracing for all returns and either insure your package for safe return to C&L or declare the full value of the shipment so that you are completely protected if the shipment is lost or damaged in transit. If you choose not to use a carrier that offers tracing, and insure or declare the full value of the product, you will be responsible for the loss of damage to the product during shipping. Please note that the US Postal Service (USPS) offers limited tracing capabilities and that there is a 30-day waiting period before the USPS will initiate a trace.

**PAYMENT METHODS** — C&L's accepts payments via Visa, MasterCard, American Express cards and PayPal. You may pay by credit card no matter which ordering method you use (Internet, mail, or phone). C&L's also accepts cashier's checks or money orders as a valid form of payment. Personal or business checks are not accepted without preapproval. If you wish to pay by cashier's check or money order, you may place your order by phone at (360) 830-4216. The cashier's check or money order must be payable to C&L's. Include a copy of your order, return address and phone number. ALL money orders and cashiers checks will be processed and cleared with bank before shipping products. Please mail your order and payment to: C&L's • P.O. Box 118 • Seabeck, WA 98380 • C&L's must receive your payment within 10 calendar days or your order will be canceled.

**SALES TAX** — Orders shipped within the state of Washington will be charged sales tax. If you phone in your order, the C&L's Store sales agent will tell you the final dollar total of your order including tax and any applicable shipping at the time you place your order.

**SHIPPING OPTIONS** — C&L's may use USPS, Federal Express Ground or UPS ground shipping on orders. If you prefer a faster method of shipment, you may choose to pay for express shipping. Shipping charges are based on the total weight and/or amount of the order. Please note that products cannot be shipped UPS or Federal Express to a P.O. Box. Freight charges are FOB Seabeck, WA. If possible, items are shipped same day if order is received before noon PST.
